Sir:

Applicant herewith submits a list of references of which the applicant is aware. Since this application is being filed after June 30, 2003, the requirement for a copy of the U.S. patent publications has been waived. Copies of the foreign patent documents, GB 2263671A and GB 2289653A, are enclosed.

This submission does not represent that a search has been made or that no better prior art exists. While the term "reference" is used in citing each of the publications called to the Examiner's attention herein, applicant does not make any admission that each or all of them are "prior art" references within the meaning of the statutory and case law.

FIRST CLASS MAIL CERTIFICATION

I hereby certify that this correspondence is being deposited with the United States Postal Service as first class mail, postage paid, in an envelope addressed to the Commissioner for Patents, P.O. Box 1450, Alexandria, VA 22313-1450 on September 29, 2005.

Applicant reserves the right to contend, where appropriate, that a reference asserted against any claim of the present application is not prior art under the facts and the law.

Applicant also reserves the right to present appropriate arguments and/or evidence to establish patentability over the references, should one or more of the references be applied against the claims of the present application.

Applicant respectfully requests that the Examiner independently determine those items that the Examiner would consider the most pertinent of all the references cited herein.

This Information Disclosure Statement is being submitted prior to issuance of a first Office Action on the merits. Therefore, no fee is due for the submission of this Information Disclosure Statement.

It is respectfully requested that these references be considered and made of record.

Respectfully submitted,
